Super Vac Battery Operated PPV Fan

HPMP Fire are honoured to join forces with Super Vac to bring you one of the most versatile and powerful battery operated PPV fans on the market.

SUPERVAC

www.supervac.com

POWERED BY
18V LITHIUM

Super Vac PPV Fans:

- Are versatile offering 180 degrees of tilt so all angles of attack are covered.
- Feature a roll-cage frame aluminium lightweight frame which provides maximum protection to the fan.
- Are the only PPV fan that has standard flat proof rubber tyres – making them highly maneuverable and all without the lifting the fan.
- Are available with 16" or 18" polymer blades.
- Offer up to 60 minutes run time.
- Are lightweight ranging from 15 kgs to just over 20kgs.
- Spare batteries are readily available as the fans are compatible with **DeWALT** and **Milwaukee** batteries.
- 5 year warranty on battery fan components.
- 3 year warranty on motor/battery.

Super Vac has been creating ventilation products for emergency and industrial use since mid 1930s.

Super Vac is a member of the Fire Department Safety Officers Association and the Fire and Emergency Manufacturers and Services Association (FEMSA) in the USA.
